Explore Lake Como with a private seaplane tour

around the lake

Private Boat Tour

One of the main must-do activities on Lake Como is a private boat tour to admire the Lake and its surrounding from the water. You can discover and enjoy the true beauty of the Lake: you will see ancient villas, remote locations, hidden gems, beautiful gardens, and a lot more... You can rent a boat for a few hours or for the whole day, go for a swim or for a dreamy lunch. The pick up point, of course, can be arranged directly at LakeQueen's pier.

Seaplane Tour

Explore the Lake Como from the seaplane of Aero Club Como, one of the most important and oldest clubs in the world. You can choose different seaplane flying tours and it is really one of the most spectacular experiences in Lake Como. Travelers can enjoy the lake's stunning scenery and surrounding mountains from a bird's eye view during the tour.

This will give you truly amazing memories!

Ancient villas

Lake Como is famous in all over the world for its beautiful lakeside villas with lovely botanical gardens. The most legendary villas of the lake sum up romantic Italy at its finest. They bring together art, architecture and history in one of the most beautiful settings in the world. Each historic villa has something distinctive to offer, from exquisite gardens to beautiful architecture, fascinating history and amazing lake views. Just to give you some ideas, you can visit Villa del Balbianello in Lenno, Villa Carlotta in Tremezzo, Villa Melzi in Bellagio, Villa Monastero in Varenna, and many others...

Como City

Como town centre is only 5 km away from LakeQueen, and it is an elegant old town with a lot of history and medieval architecture. The best way to enjoy it is by exploring it having a walk in its streets, visiting its historic buildings, shops and restaurants.

Wakeboard Lake Como

Located in Blevio, 5 mins away from Villa Torno, the Wakeboardlakecomo club offers numerous water sports, including wakesurfing, foil, wakeboarding and water skiing, as well as leisure activities such as banana boating and tubing. Sport and fun certainly, but also relaxation: on the panoramic terrace customers can enjoy the picturesque views while sipping an aperitif or having a quick meal.

Walking and Trekking

Lake Como offers a lot of beautiful hiking and walking trails, with incredible views of the lake and its surroundings. You can find both very easy routes, suitable for everyone, and tracks with medium-high complexity. Choose the one that fits best your level! Here are some areas and walks you can explore during your stay: Spina Verde, Lake Como Greenway, Val Senagra, Sentee de Sort.

Aperitivo

Aperitivo is for sure a part of the "Italian Dolce Vita" and it is a fantastic social moment. On the Lake there are a lot of cafès, bars, and "bottegas" where you can have a fabulous and unforgettable aperitivo by the lake, served with a delightful plate of the best selection of local products and a glass of wine! Cheers!

Bellagio & Varenna

The town of Bellagio is truly an enchanting, world-renowned tourist destination. Visitors from all over the world adore its quay, narrow streets and tiny bars. Enjoy a trip to Bellagio with the private boat or with the car and connect with the locals.

Como Razionalista

Como Razionalista offers a series of guided tours designed to explore rationalist work in its most varied declinations, from monuments, to private house, to public places about meeting and sport. Discover extraordinary spaces, sometimes inaccessible to the general public, together with professionals from the area, who catch and recount the essence of rationalist architecture. Each visit will be a unique experience, never same to another.

Brunate

One of the easiest and most enjoyable things to do when you are in Como is to go to Brunate from Como by funicular. This cable railway connects the centre of Como with the little resort town of Brunate, which is a prime spot to admire Lake Como's breathtaking panorama, nearby cities and in good weather, even discern Milan, Turin and bordering Switzerland.

Shopping in Milano

Milano, the city of Fashion, is only 45 mins by car away from LakeQueen. Plan a daytrip to enjoy all the shops, museums, restaurants and many other attractions that the city can offer!
